

Annual Christmas Hamper – 2020

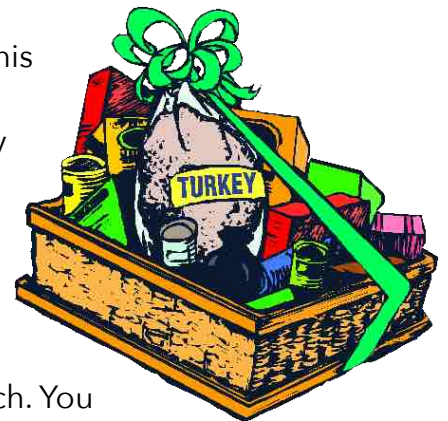

Due to the COVID virus, Christmas Hampers will be dealt with in a different manner this year.

Under the guidance of the SHA, the hamper program will be run as a single city-wide program. All hampers will be put together at the Salvation Army. Applicants for

the hampers will be scheduled for a time of pick-up.

The estimated hamper cost for an average family of four is \$150.00. Last year St. Paul's delivered 21 hampers. We hope to provide funding for 25 hampers at a cost of \$3750.00.

You may help support this vital need by offering a White Gift. Your gift may be placed in a white envelope, marked with your Giving Number and then mailed or dropped off in the outside box at the church. You also may do this by an eTransfer to stpaulsuc@sasktel.net. So far we have received \$1000.00.

The Angel Tree will be set up at Walmart's from November 30 to December 12 from the 12:00 to 8:00 pm. St. Paul's has selected December 8, 2020 to man the Angel Tree. If you can cover some of the hours please phone the office (306-634-2885) to **sign up**.
